

WHAT WILL YOU HAND IN?

Create a word document, pdf or use the "write submission" option in Blackboard to provide the following:

1. Submit the URL for the index page.

<https://aktran-su.github.io/ist263/lab13/index.html>

2. Submit WAVE URLs that show all three of your pages WAVE results.

WAVE index: <https://wave.webaim.org/report#/https://aktran-su.github.io/ist263/lab13/index.html>

WAVE contact: <https://wave.webaim.org/report#/https://aktran-su.github.io/ist263/lab13/contact.html>

WAVE: skills: <https://wave.webaim.org/report#/https://aktran-su.github.io/ist263/lab13/skills.html>

3. Submit answers to the following:

- a. What questions did you have about the lab? What didn't you fully understand?

None

- b. What was the hardest part of the lab?

I think the hardest part was figuring out how to stop getting an error with contrast, especially with the “ | ” separators. In the end I tried my best to make it work and ended up having to include it in the text section.

- c. Rate your comfort level with this week's topics.

1 ==> I can do this on my own and explain how to do it.
