

WHAT WILL YOU HAND IN?

Create a word document, pdf or use the "write submission" option in blackboard to provide the following:

1. Submit the URLs for the index page, practice page and contact page.
Index: <https://aktran-su.github.io/ist263/lab08/index>
Practice: <https://aktran-su.github.io/ist263/lab08/floats-flexbox-practice>
Contact: <https://aktran-su.github.io/ist263/lab08/contact>
2. Validate the contact page and submit the validation link.
Contact Validate: <https://validator.nu/?doc=https%3A%2F%2Faktran-su.github.io%2Fist263%2Flab08%2Fcontact>
3. Submit answers to the following:
 - a. What questions did you have about the lab? What didn't you fully understand?
Nothing, I think I just need more practice.
 - b. What was the hardest part of the lab?
The hardest part was placing the flex boxes to match the sample photo you gave.
I had a hard time figuring out the row and column part, but I just had to play around with it.
 - c. Rate your comfort level with this week's topics.
2 ==> I can do this on my own without any help.
